With the LILY POM and TUFT FORM you make the poms or tufts in a jiffy.

DIRECTIONS FOR MAKING POM PONS

- 1.—Drive posts into holes at each end of form. Cut eight tie-strings from Lily Rug Yarn—7" long—and beginning with the first slot next to the post, place the tie-strings in every other slot.
- 2.—Loop Lily Rug Yarn around one post and wind back and forth around posts LOOSELY sixteen complete times, making a total of 32 strands. Tie-off at the starting end post.
- 3.—Press all strands firmly down into groove and tie a firm single knot with each tie string.
- 4.—With sharp knife cut through yarn in the grooves at each slot between tie-strings, **cutting the two ends first.**
- 5.—Remove poms looped around each post and with sharp scissors cut through middle of the lop. Remove other poms and fluff-up by gently hitting on table edge.

DIRECTIONS FOR SEWING-ON FINISHED POMS TO FOUNDATIONS

- A.—Thread one end of tie-strings through rug needle, loop under foundation dot—and,
- B.—With other end of tie-string make one tie in a loose single knot . . .
- C.—Turn Pom over and tie firmly with double (square) knot. Trim tie-strings to match with poms in length.

DIRECTIONS FOR MAKING TUFTS

Drive posts into holes at each end of form. Using four tie strings—7" long, place in 2d slot from the post, and every 4th slot thereafter. Use 9 turns, or 18 strands of Lily Rug Yarn—wound loosely on posts. Press into the groove and tie as for making poms. Cut through the 3d slot from each end **FIRST**—and make one cut through the center slot. Remove end tufts from post and cut through loopers ends with scissors.

SEWING ON TUFTS

Thread one end of tie string through rug needle, take a stitch under foundation dot, and with other end of tie string, tie a tight double (square) knot across center of tuft. Trim tie strings to match length of tufts.

FINISHING INSTRUCTION

Turn edge of Foundation back twice under along outside row of poms or tufts and hem down. Shake out finished rug.
