BRIEF DIRECTIONS FOR MAKING TUFTS AND POMS

To make tufts on the pom and tuft form, cut four tie-strings $3\frac{1}{2}$ " long from Lily rug yarn. Place these in the second slot from the post, and in every fourth slot thereafter. Wind Lily Rug Yarn around the posts 11 times (22 strands). Press into the groove, and tie a firm single knot with each tie string. Cut through the third slot from each end first—and make one cut through the center slot. Remove end tufts from posts and cut through looped ends with scissors.

To make pom pons, cut eight tie-strings 7" long from Lily rug yarn and beginning with the first slot next to the post place the tie-strings in every other slot. Loop Lily Rug Yarn around the posts sixteen complete times. Press the strands down into the groove and tie a firm single knot with each tie-string. With sharp knife cut through yarn in the groove between each tie string, cutting the two ends first. Remove, cut through end poms, and fluff up by gently hitting on table edge.
