MORE VERSATILE than any other CRAFT

From **RUGS** to **FASHION TRIMMINGS**

all done with
SINGERCRAFT

EVERY day it wins new friends! And every day the thousands who know about Singercraft discover undreamed-of new uses. It's easy to learn, fun to do, unbelievably simple—and all done on your own sewing machine.

NO LOOMS, NO FRAMES, NO HOOPS. All you need is a little metal bar called the Singercraft Guide. Wind your material around it—anything from rags to ribbons—and stitch to a fabric backing. That's all.

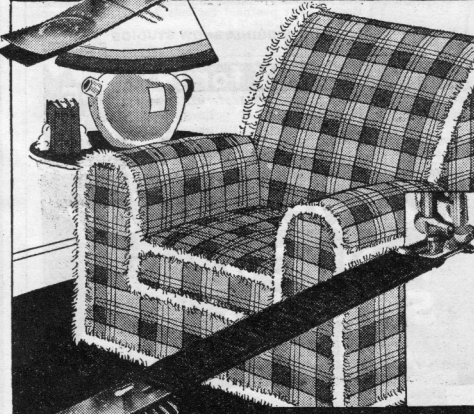

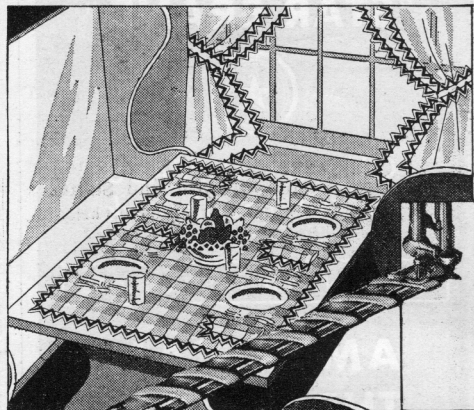

Learn in 10 Minutes

Make Early American rugs from strips of old stockings. Make deep-pile modern or Oriental rugs from old or new wool. Smart edgings of bias binding or rick rack for luncheon sets, curtains, children's clothes. Beautiful collars and French edgings of ribbon or velvet for your finest silk dresses. Fringe for slip covers or draperies, luncheon sets, of cotton or wool yarn.

You can do Singercraft on any sewing machine. But try it yourself on the new Electrics at your Singer Shop. Like all sewing, it's easier on a Singer. *Ask especially to see the 66-306 (shown above), the most popular of all Singer machines, now reduced to a new low price.* Small down payment. Easy monthly terms. Liberal trade-in allowance.
