No limit
to what a
Singer can do

... especially if
you have the new
"Singercraft Guide."

WITH any Singer there are countless things you can do in the way of fancy sewing and clever stitchery. But with the new "Singercraft Guide," an inexpensive attachment costing but a few shillings, you can without previous skill or practice make beautiful and unusual articles in deep rich pile right on your sewing machine. Imagine making colorful rugs from old wool and rag strips and ravelings. Think of the possibilities for gift making, as well as decorative things for your own home!

There's a Singer for every purse and purpose. Arrange with the nearest Singer shop or salesman for a Free Trial in your own home. Write for illustrated booklets, especially the one about the fascinating "Singercraft Guide."
